Paperback | March 6, 2023

Author: Nike Greene

About the Book

What if I told you the keys to your success were already in your purse — would you find them? This isn't just a book; it's an awakening. In Nike: From Trauma to Triumph, author Nike Greene takes readers on a powerful journey from brokenness to breakthrough, showing how faith, resilience, and truth can turn pain into purpose.

Created to inspire readers to crush the lie that victory is unattainable, this book empowers you to claim the healing, freedom, and greatness already within you. Nike's transparency and courage illuminate the path from trauma to triumph — reminding us that, no matter what we've faced, victory is already ours.
